A Glimpse of Gods work in 2016

We have dedicated this whole page to testimonies from 2016. We found each of these inspirational for the work of *Sharing Jesus with Ontario's Children*. We hope they are as encouraging for you, because, none of this could happen without your prayers and support.

"One eight year old, (a believer) came to me after a club and said, "This is a good place; I'm going to tell my neighbour about it." I asked if she was her age, she said, "No! She's an adult, but it would be so good for her hear this!"

- Lana, North West Club Coordinator

Last Wednesday, a girl in the VBS came up to me at the end of the club. She was puzzled about the flipper flapper and asked if I could explain it to her. At the end of my explanation I asked if she wanted to receive Jesus Christ as her Lord and Saviour. She said that she really wanted to! She also asked me if she could have a Bible so the next day I gave her the book of John...

It was an amazing feeling how God can work greatly in a child's heart.

- Mariled, Summer Missionary

"I am grateful to God for providing *Child Evangelism Fellowship*® to my granddaughters who have attended *Camp Good News*® for many years now. When I got saved I started volunteering at CEF Ontario doing the mailings. To my surprise I was in the exact spot that my granddaughters go to camp! My daughter is working on starting two *Good News Clubs*® after school in her city.

Sharing the Gospel with children is such an important ministry, which is why three generations of my family are serving this way. Praise God for working in our family and allowing us to help other families."

- Colleen, CEF Ontario Mailing Volunteer

"This week God really reminded me how important community is. The girls in my cabin constantly talked about how safe they felt at camp, being surrounded by Christians and such a supportive environment. It was just really encouraging to know how much appreciation the girls had for being in His Word and Love."

- Olivia, Camp Good News Volunteer

"The material provided in the classes and the coaching we received from Emily was so valuable. I personally feel I have built a closer and stronger relationship with our Lord since we started the club. I am really blessed to have the opportunity to share God's word with the children."

- Sue, GTA Good News Club Leader

"Thanks so much! He (son) doesn't have a father figure in his life, so any time he can spend with older guys who are a good example is a good thing."

- Mother of former camper turned volunteer serving in Slingshot Clubs

"This past week was so incredibly difficult and also so incredibly amazing. The kids would often be so challenging but in those moments I was just filled with God's love for them. I know I couldn't make it through this week without God's help and that reliance on God drew me closer to Him. These kids need God's love so much and it was such a privilege to be used by God to give it."

- Megan, Camp Good News Volunteer
