

# Our Vision

... To see the Gospel of Jesus Christ preached to every tribe, tongue and nation.

# Our Mission

... Providing durable technical equipment for communicating the Gospel worldwide.

# Our Strategy

... Partnering with evangelicals worldwide to facilitate sharing the Gospel through technology.

GALCOM is registered in Canada and the USA as a non-profit charity organization.

We provide durable technical equipment at the lowest possible cost, trusting the Lord, by faith, to meet the financial needs of our Ministry.

Haiti August 12—21, 2015

Dear Friend,

Our names are Alastair and Shelley Wyatt. We coordinate mission trips for Galcom International. We are writing this letter on behalf of Bob and Vivian Sturgeon. We work with Galcom who partners with evangelical ministries worldwide to distribute communication equipment that is used to reach people with the Gospel. God has enabled our ministry to produce and send more than 1,000,000 solar powered fix-tuned radios to 140 countries. God has also enabled us to install more than 100 Christian radio stations around the world.

We are planning a mission trip to Haiti from August 12—21. Bob and Vivian will be leading a team who will be going to Cap Haitian to work with One Mission Society, who operate a Christian radio station, called 4VEH, the Evangelical Voice of Haiti. We appreciate their organizational and leadership skills which make them great team leaders.

The goal of this mission trip is to distribute Galcom fix-tuned solar powered ImpaX radio/audio players with the Haitian Creole New Testament on them. These radios will be tuned to receive the 4VEH Christian radio station. The ImpaX players are built in Hamilton, Ontario. As the team distributes the ImpaX radios, they will also be telling people about the Gospel of Jesus Christ. Psalm 119:130 says "The entrance of God's Word brings light". Only this light that can expel the darkness that has occupied Haiti for over 200 years.

Haiti needs not only physical aid but also spiritual encouragement. Money and time have been poured into Haiti. However, it is only as people's hearts change through hearing God's Word, that there can be lasting change.

As you can imagine, a trip like this requires financial support. Bob and Vivian need to raise \$1500 each by the middle of July to be able to go on the trip. We believe that God is calling them to go back again. They are trusting God to provide their needs. Prayer is also an integral part of every successful missions trip. If you sign up to pray you will receive a prayer request for each day. We would like to ask you to consider partnering with them through prayer and/or financial support (eligible for tax deductible receipt). If you would like to be part of Bob and Vivian's support team, please fill out the form at the side of this page and send it in with your commitment.

With Thanks,

*Alastair and Shelley Wyatt*
